Ordering Information

Artwork Submissions: Due to small imprint areas, Pilot requires artwork standards for all submissions. Digital files that do not fall within these standards will require artwork modification to ensure legibility and printing quality. Pilot assumes no liability for non-compliance with brand standards if submitted files require modification.

Two Color Imprinting: Two-color imprints are possible, but tight color alignment is not. Pilot will evaluate individual artwork on a case-by-case basis for adherence to our two-color printing capabilities. Customer artwork that features precise registration of overlapping colors will not be accepted, and one-color imprinting will be recommended instead.

Artwork Standards:

- **Serif Fonts** (*Times Roman or equivalent*) – CANNOT be less than 5pt. in size at 100% scale. It is STRONGLY recommended that all Serif text 7pt. and below be in a bold or heavy style. The fine detail of serifs will not reproduce when imprinting at this size. (*Also see note on line weight below*).
- **Sans Serif Fonts** (*Arial or equivalent*) – Sans Serif text CANNOT be less than 5pt. in size at 100% scale.
- **Stroke/Line Weights/Letter Widths** – Line weights below 3/8pt. (0.375pt.) WILL NOT REPRODUCE. It is recommended that all letter forms, strokes and spaces be a MINIMUM OF 1/2pt. (0.5pt.) in width.

File Formats: To ensure accurate and predictable legibility and printing quality, Pilot requires that all artwork be provided digitally in vector format (*Adobe Illustrator - any version, .AI, .EPS or .PDF*). Bitmap/raster formats such as TIFF, JPEG, BMP and others will incur artwork charges to convert and/or re-create the artwork in Illustrator. Minimum \$25.00 artwork charge.

Artwork Charges: Digital (vector) files must be submitted with order. If total artwork cost is greater than \$25.00 (X) written approval will be requested prior to production. Unusable artwork will be returned.

Media: E-mail, CD-ROM, or DVD. Please zip files before sending via e-mail.

Screen Charges: \$25.00 (G) for writing instruments.

Plate Charges: \$25.00 (G) per color.

Less Than Minimum: Refer to page that item is shown on.

Proofs: Digital (Virtual Proofs) are provided at no charge and should be printed without enlargement at the ACTUAL IMPRINT AREA SIZE, AND AT 100% SCALE. Paper proofs are available \$7.50 (G). Artwork imprint position is approximate on Virtual and Paper Proofs. The exact artwork imprint location may be reviewed by requesting a Product Proof \$25.00 (G).

Spec Samples: Available for one color \$25.00 (G). Two colors \$50.00 (G).

Change of Copy: Available for \$7.50 (G). Minimum order quantity necessary for each imprint.

Production Time: After receipt of requested digital files and approval of credit please allow 3-5 days for repeat orders, 5-7 days for new orders and 10-15 days for orders requiring label imprints (IB2P & IB2R).

Order Acceptance: All orders are binding upon the company only after acceptance by Pilot and notification by acknowledgment to the distributor. Order acknowledgment is sent upon approval of credit and not before.

Corrections and Cancellations: Changes and cancellations are subject to charges determined by the labor and material costs incurred.

Return Policy: No merchandise will be accepted for return without prior written authorization from Pilot. Merchandise with an incorrect imprint due to our error will be replaced at no charge if returned. Pilot must be notified within 60 days from receipt of merchandise. Unauthorized returns will not be accepted and returned to sender.

Over/Under-Runs: Pilot reserves the right to invoice and ship 5% over/under the quantity ordered.

F.O.B: Jacksonville, FL, factory.

Split Shipments: \$5.00 (G) per location plus actual freight.

C.O.D: Not available.

Union Label: Not available.

Warranty: All merchandise sold by Pilot is unconditionally guaranteed to be free from defects in material and workmanship. Pilot will replace any material found to be defective.
