● Zhongshan Wasing company profile

WASING is a famous brand of mobile lighting in China. Our factory is professional in creating, producing high quality products. **WASING** mobile lighting products cover either long distance or short distance, made from either aircraft aluminum or plastic, with acid battery, Nickel-Cadmium battery or Lithium Ion battery. It has a wide range of model series, satisfy different people's choice.

WASING products get on well the developing technology, we have adopted powerful, strong light LED, high capacity rechargeable battery. At the same time, we throw ourselves to improve the LED illuminant control technology and the recharging and releasing technology of battery.

During 14 years experience of manufacturing, researching, developing, we are keeping up with all kinds of new materials, new manufacturing processes, up-date technologies. We insist on the thought of developing, creating. We ensure to devote the best products to our clients.

公司简介

Company Profile

Shenzhen siqiang New energy technology co., LTD Founded in 2011, Located in the second house, shunchengji industrial park, langkou community, dalang street longhua town shenzhen. Covers an area of more than 2000 square meters, staff 150 people, production reached 5000 or so. s a professional collection of cylindrical lithium-ion battery research and development, design, production and sales in one of the high-tech enterprises. The company is committed to research and development of the application of energy storage and power system power supply and its industrialization, As the masses of customers to provide efficient, safe power supply solution

Siqiang New energy technology have strict production organization system. Product quality control system and after-sale service system Have experienced technical staff. Make the product performance is stable and reliable. Accurate product positioning, excellent professional design, excellent after-sales service. The company will continue to absorb the modern high-tech technology, plan to meet the needs of the market, with higher technical level, the power of the customers welcome manufacturing solutions.

Advocate the lean, the pursuit of excellence, with international advanced technology level as the goal, pioneering innovation, and actively serve the society, serve the public. Zealously welcome everywhere merchants to come to guide the work! Siqiang new energy company sincerely hope that with the social from all walks of life hand in hand, create beautiful future of lithium-ion battery industry

Mobile Power

The customer is supreme
quality first
