 **PILOT**
POWER TO THE PEN!

Pilot Corporation of America was established in the United States in 1972, and is recognized as a premier manufacturer of quality writing instruments. Our parent company, Pilot Corporation, is the oldest and largest writing instrument manufacturer in Asia. It is headquartered in Tokyo, Japan, where it was founded in 1918. Pilot's ongoing growth has been driven by the consistent development of highly innovative products that deliver unsurpassed quality and an exceptional writing experience.

Pilot's diverse line of pens has been created in a culture that has revered the art of writing for over a thousand years. Namiki, our luxury line of pens, are handmade works of art that are recognized globally for their beauty, craftsmanship and excellent writing capabilities. This heritage of art, design and quality can be seen throughout Pilot's entire range of product offerings, in our everyday pens – G2, Precise, FriXion, and in our fine writing instruments – Axiom and Pilot MR Collections.

Pilot's spirit of innovation has always focused on serving consumers' unmet writing needs, and on making writing a pleasure with exceptionally-designed, smooth writing pens. In a digital age where we have gained immediacy but lost intimacy, Pilot helps you express yourself effortlessly and connect through the written word.

We believe in the power of the written word. We believe in the power of the pen.

POWER TO THE PEN!

Pilot Pens Help You Get It All Done (With Style!)

Pilot Corporation of America prides itself on being a leading manufacturer and marketer of quality writing instruments in the United States.

Pilot pens have a loyal following because of the quality of our products and the ongoing innovation of our Research and Development teams. Our spirit of innovation has always focused on delivering what consumers want and need – an erasable pen that *really* works, a way to do something good for the environment, and of course, incredibly smooth writing instruments.

G2

G2 is the ultimate pen for the ultimate overachiever. Pilot's G2 writes smoothly, comfortably, has been proven to last longer than the average of competitive gel ink brands², and is the #1 selling gel ink brand in America¹. The G2 product line includes four point sizes, fifteen color options and two striking barrel design collections: G2 Fashion and G2 Mosaics, each in a range of vibrant colors. G2 has further elevated everyday writing with the introduction of six shimmering metallic ink colors and an opaque white option. It's clear why G2 is America's Go-2 gel ink pen. Do you G2?

2 Independent ISO testing: Average of G2 write out (all point sizes) compared to the average of the top branded gel ink pens tested (all point sizes). Data on file.

Acroball

The Ball Point of the Future is finally here! Powered by ultra-smooth writing, smear-resistant advanced ink, and available in a range of striking designs and colors, Acroball will make writing a pleasure as never before.

Acroball Colors features vibrant barrel colors with matching ink, while Acroball Pro delivers a professional style with premium metal accents and assorted inks. Acroball PureWhite has a sleek white barrel enhanced with richly-colored textured grips and black ink. For ball point users who demand the best, there is a perfect Acroball for you.

B2P

Bottle-2-Pen (B2P) is the world's first family of pens made from recycled bottles. Approximately 2.5 million plastic bottles enter landfills every hour, and comprise close to 50% of all recyclable waste. B2P gel ink and ball point pens are made from 89% and 83% recycled plastic bottles respectively, and have a unique water bottle inspired design. All B2P pens write smoothly, have vibrant inks and are 100% refillable. The new B2P Colors line features brilliant gel ink colors with matching barrels so you can go *green* no matter which color you choose. Help write the next chapter for a cleaner planet with B2P.

Dr. Grip Frosted
[page 47](#)

FriXion Ball Clicker Extra Fine
[page 9](#)

Precise V5
[page 33](#)

Dr. Grip

Introduced in 1995, the Dr. Grip pen was the first truly ergonomic writing instrument. This classic line has been enhanced with a range of recent entrants including the sophisticated Dr. Grip PureWhite, FullBlack, and the Dr. Grip 4+1 Multifunction – the All-in-1 writing instrument. **New** this year is the launch of Dr. Grip Frosted, in a range of delightful pastel colors. Dr. Grip is your prescription for writing comfort – featuring a unique balanced design, a cushioned grip that helps alleviate writing fatigue and inks designed for smooth writing.

FriXion

Never write a mistake again – guaranteed! FriXion erasable pens write smoothly and erase cleanly without any wear and tear to the paper or messy eraser crumbs. FriXion offers you unlimited do-overs so you can write, erase and re-write until you get it right.

The newest member of the FriXion family is the elegant FriXion Ball LX, with rich metallic barrels and silver accents. FriXion is also available in the retractable FriXion Ball Clicker and capped FriXion Ball and Point options. Make written mistakes a thing of the past with your favorite FriXion. Now only you will know that it wasn't perfect the first time!

Precise

There is a fine line between good and great, and that line has been drawn by Precise V5/V7 by Pilot. The precision point and modern design deliver an incredibly smooth writing experience in rich, vibrant ink colors. For those who delight in the details, Precise has been designed to deliver unparalleled performance. America's #1 selling rolling ball pen³ is available in capped classic and retractable designs with either a 0.5mm or 0.7mm point size.

Varsity
[page 64](#)

Axiom
[page 88](#)

Pilot MR Retro Pop
[page 89](#)

Varsity

Varsity is the ideal everyday fountain pen – elegant, no-maintenance and easy-to-use! Varsity delivers an effortless, expressive fountain pen writing experience with a precision laser cut stainless steel nib. The convenient prefilled ink supply is available in seven vibrant colors. Get in touch with your inner poet, writer or artist with a unique fountain pen designed to deliver a simply effortless writing experience.

Axiom

An ‘axiom’ is defined as ‘a statement that is so obvious that it needs no proof.’ It is obvious that the Axiom is a superior pen – with striking looks and an exceptionally smooth writing experience. Axiom combines premium metal accents with modern, bold barrel finishes in matte black, glossy black, pearl white, cherry red and cobalt blue. With its smooth writing ball point ink, Axiom is the perfect pen for your daily writing, or as a thoughtful gift for a momentous occasion.

Pilot MR

The Pilot MR Collections include exceptional pens designed for everyday use. They combine a smooth, expressive writing experience with premium matte finished brass barrels enhanced with a middle ring design, and stainless steel accents. The Metropolitan Collection delivers refined style, while the Animal Collection brings a touch of the exotic. The *new* Retro Pop Collection brings together the premium materials and quality of the MR line with vintage patterns and coordinating vivid barrel colors. Available in fountain, gel, ball point and mechanical pencil options, the MR Collections are an affordable luxury, and the perfect gift for yourself and others.

V BOARD MASTER[®]

DRY ERASE MARKER

- Refillable 4X for maximum value (pg 99)
- Up to 43% savings over traditional dry erase markers*
- Vivid, dense writing clearly visible from a distance
- Made from 91% recycled materials
- Visible, long-lasting ink supply

TPF System[®]
The newly developed Twin Pipe Feed System utilizes two pipes and a pad to ensure a stable supply of ink to the pen tip. One of these two pipes feeds the ink to the pad section and the other pipe feeds air to the ink tank. The pad functions the same as a pen tip and controls the supply of ink to the tip.
