2000 COLLECTION
HARLEY-DAVIDSON®

a one-of-a-kind story

When Johnny Poole got the call from Zippo telling him that he had just won a one-of-a-kind Harley-Davidson® motorcycle, he almost fell down the stairs. "At first I thought it was a joke that one of my friends

was pulling." But the caller ID showed the call was from Zippo and it turned out that Poole was indeed that Grand Prizewinner in the Zippo One-of-a-Kind Sweepstakes. This customized 1999 Harley Davidson FXDX™ Dyna Super Glide® Sport motorcycle is certainly one-of-a-kind.

The motorcycle began as a stock FXDX, with a Twin Cam™ 88 wrinkle black engine, and staggered shorty dual exhaust.

From there the Styling Department at Harley-Davidson customized the look with a hand-painted three-color flame design that canvases the entire motorcycle. The Zippo logo was also added to the rear fender of this special ride. The motorcycle

was outfitted with Harley-Davidson Genuine Motor Accessories, including billet footpegs and a headlamp visor kit.

Poole added his own custom touch by attaching his Zippo lighter which features a Sportster®

motorcycle to the rear fender. Beyond the Zippo lighter, he also added a Beanie Baby

squirrel he takes along for the ride.

That's not the only furry creature that gets an occasional ride on this one-of-a-kind motorcycle. Back home near Palatine, Illinois, one of Johnny Poole's childhood companions is a 20-year old Chinese Pug named Snorky, who always rides along whenever anyone starts a motorcycle engine.

When Johnny pulled up on his new motorcycle, Snorky was ready to cruise the highway.

Poole says he had never won anything in a contest before, and he couldn't be happier.

He wanted a Harley-Davidson motorcycle for a long time, and has been saving to purchase one. Poole did more than merely admire his new motorcycle, he logged nearly 4,000 miles in the first two months of ownership.

Where he rides his motorcycle it draws a crowd of enthusiasts, because it is one-of-a-kind. "It's not flashy, but it sure attracts attention from everyone – everywhere I go," said Poole.

Johnny Poole got his first Zippo lighter when he was in cub scouts and he's carried them skiing, hiking, snowmobiling and biking ever since. He claims Zippo has saved him and his friends during some cold and wet trips. And he has ridden Harley motorcycles since he was young. He says this motorcycle represents quite a combination: "Zippo and Harley-Davidson are two American success stories that produce quality products you can count on, and I'm glad I got the best of both."
